Bon Voyage!
Deer Park’s hotels and restaurants will surely feel the positive effects of having a local, active cruise terminal nearby. The Port of Houston’s Bayport Cruise Terminal will welcome 412,000 cruise passengers to our region over the next several cruise seasons. Princess Cruises contracted with the facility and their inaugural cruise sets sail on November 5 with a 4-day voyage aboard the Caribbean Princess. Princess Cruises has 27 departures planned for this first season. Norwegian Cruise Lines has also partnered with the Port of Houston for three seasons, beginning their service in 2014.

Bits & Pieces
- Dunkin’ Donuts plans to open mid-November and will be giving away FREE coffee for the first 21 days of business (medium-sized hot or iced coffee).
- Emma’s Closet now stocks dancewear, including leotards, tights, ballet shoes and tap shoes. Visit them at 118 Dixie Dr. (near San Augustine @ Center St.).
- Boot Barn has changed their name to F.R. Depot, but that is the only thing that has changed for this 38 year old business located at 714 Center St. The name was changed because of some naming rights issues experienced by the Boot Barn corporate office in California.
- Start your Christmas shopping early. New Creations at 4005 Center St. is getting a makeover and creating room. Enjoy 50% off all gift items, picture frames, knick-knacks & engraved items (includes Willow Tree and Jim Shore Angel collections). All jewelry, bibles and books are 40% off. Need shelves for the garage? They have fixtures and shelving at rock-bottom prices. Big surprises are in store for New Creations as a new venue is coming. We’ll let you know once the makeover is complete and it’s time to “move that bus”.
