If you are leaving for an extended period of time, consider the following tips to protect your home:

- 1. Notify the police department of your departure and return.**
- 2. Do not advertise your absence. Leave lights or lamps connected to an automatic timer so that your lights turn on at dusk and turn off again at bedtime to create a "lived in" look while you are away.**
- 3. Cancel all daily deliveries (packages, newspapers, mail, etc). Have your mail held by notifying the post office online at <https://holdmail.usps.com/holdmail/landingView.do>**
- 4. Arrange for someone to cut the grass, care for pets, house plants, etc.**
- 5. Leave blinds or shades in their normal position, but not completely closed.**
- 6. Close and lock all windows and doors, including the garage and all exterior doors.**
- 7. Use dead bolt locks on all exterior doors.**
- 8. Rent a safety deposit box to store valuables.**
- 9. Disconnect electrical appliances.**
- 10. Turn off your hot water heater.**
- 11. Empty the refrigerator.**
- 12. Turn down/up the thermostat.**
- 13. Prepare for possible emergencies:
Tell a friend your route and give them your license plate number.
Leave a house key with a friend or neighbor.**

By following the above procedures, you will minimize your chance of being a burglary victim and help the Deer Park Police Department to serve you and protect your home while you are away. Please have a safe trip.
