

Going the extra mile for our animals and our community...

The Deer Park Animal Shelter Advisory Committee was appointed by the Deer Park City Council in 2016 based on requirements in the Texas Health and Safety Code pertaining to Animal Shelters.

Per state law, the advisory committee must be composed of at least one licensed veterinarian, one county or municipal official, one person whose duties include the daily operation of an animal shelter, and one representative from an animal welfare organization.

The current membership includes:

Dr. Dale Lonsford, DVM, Chairman

Councilmember Rae Sinor

Lee Ann Selman, Southern Comforts Animal Rescue

Jeanna Hooker, Animal Control Supervisor

Bill Pedersen, PE, Director of Public Works

The Advisory Committee members assisted in the selection of the architect and provided valuable input in the design of the new Animal Shelter facility.

The Advisory Committee also initiated the community engagement campaign seeking donations.

Deer Park Animal Shelter and Adoption Center

 Huge new facility!

Adoption areas! 

 Ways to donate!

Bring home a new family member!

Leave your paw print on Deer Park's new Animal Shelter and Adoption Center!

In early 2017, the Deer Park City Council approved a set of space-naming opportunities for Deer Park's new Animal Shelter and Adoption Center. By making a donation, citizens, businesses or other organizations will not only gain naming rights for a shelter asset, or get to memorialize a cherished family pet, but will also be providing funding to support continued efforts to connect local families with new furry friends.

Our new facility will let us do even more to bring families together!

The new Deer Park Animal Shelter - to be located adjacent to the current shelter at 4213 Luella - will be a nearly 7,500 square foot facility with special features including:

- 34 kennels for dogs
- 21 cat cages
- Two cat rooms
- A cat adoption area
- A get-to-know room for dogs
- A get-to-know courtyard (pictured)

As of March 2017, the anticipated completion date for the facility will fall during the first quarter of 2018.

"We are so excited to begin construction on the new Deer Park Animal Shelter and Adoption Center! The extra room and special features of this facility will help us take care of more animals until we can find them new homes.

Please remember - don't shop, adopt! The animals who come here are loving, good creatures who just need their own human. Stop by today to give a deserving animal their new forever home!"

- Jeanna Hooker, Animal Control Supervisor
