# EARL DUNN GYM

## RE-OPENING RECOMMENDATIONS

### COVID-19 2020 – Opening Tuesday, May 26, 2020

### Earl Dunn Gym: 281-478-2056

As we begin to welcome our community back to the Earl Dunn Gym, we want to make everyone aware of modified operations, the implanting a number new safety measures, and recommendations for visiting the facility. The guidelines and procedures are set forth by Governor Greg Abbott as part of the Phase 2 “Open Texas” plan and health authorities such as the Center for Disease Control and Prevention (CDC) and appropriate government agencies. Guidelines can be found at the “Open Texas” website, <https://gov.texas.gov/organization/opentexas> , and the CDC website, [www.cdc.gov](http://www.cdc.gov) .

For employees and patrons, there are 4 key things to know before arriving at the Earl Dunn Gym, and they include:

- Temperature screenings will be conducted prior to entry into the facility
- Encouraged physical distancing practices
- Temporary operation modifications, including reduced hours and activity options
- An increased focus on disinfecting and sanitation

We understand that these times are challenging, and we appreciate everyone’s patience and understanding as we navigate as responsibly as we can.
