What is Rosetta Stone?

Rosetta Stone is a highly immersive language learning software that prepares its users for communicating in real life.

How does it work?

By carefully crafting sequences of words and images, it enables users to intuitively derive the meaning of each new language concept.

There are also a variety of techniques to help reinforce what you learn in the foundational lessons:
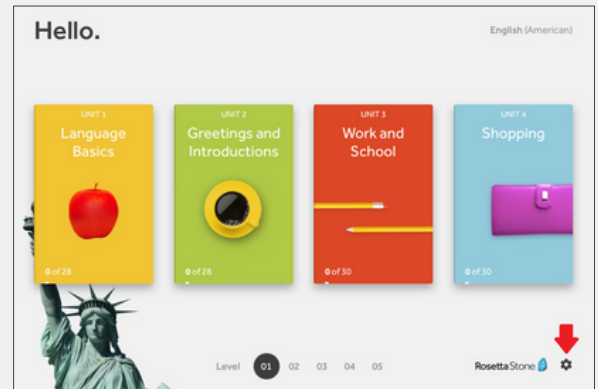

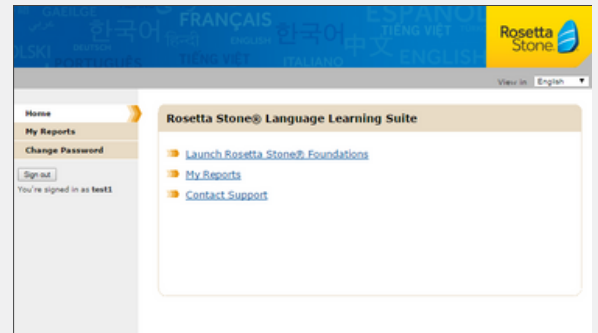

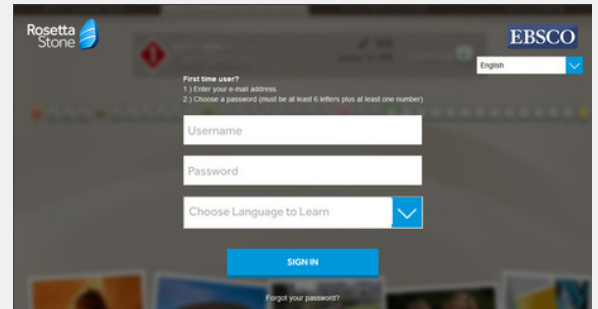

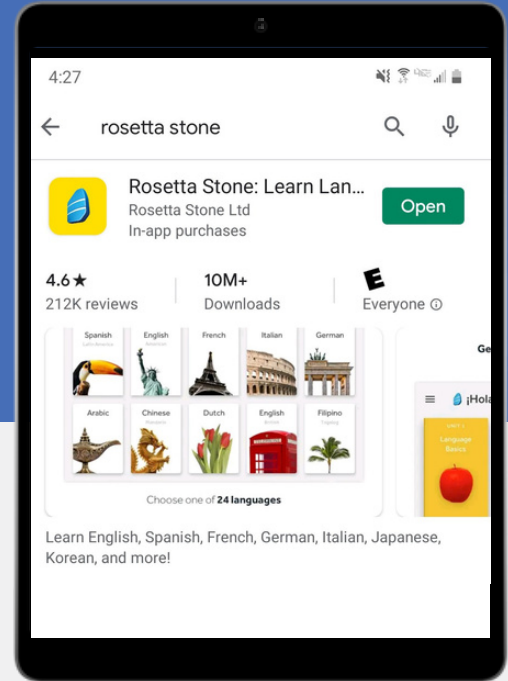

- Live Lessons you can tune into with a certified instructor

- On–Demand Videos to delve deeper into topics

- Phrasebooks for practicing pronunciation of common phrases, and more

Rosetta Stone is available both online and as a mobile app (instructions below) to help you achieve your language learning goals!

***Available Languages**: Arabic, Chinese (Mandarin), Dari, Dutch, English (American), English (British), Filipino (Tagalog), French, German, Greek, Hebrew, Hindi, Indonesian, Irish, Italian, Japanese, Korean, Latin, Pashto, Persian (Farsi), Polish, Portuguese (Brazil), Russian, Spanish (Latin America), Spanish (Spain), Swahili, Swedish, Turkish, Urdu, and Vietnamese*
