Be Prepared for Hurricane Season!

1. Plan your evacuation route ahead of time.
2. Keep non perishable emergency supplies on hand such as:
 - Extra batteries
 - Candles or lamps with fuel
 - Prescription drugs
 - A three-day supply of drinking water.
3. Take an inventory of personal items. This will help in ensuring that you have purchased enough insurance to replace your personal possessions.
4. Review your insurance policies.
5. Take steps to protect your home such as:
 - Cut weak branches or trees
 - Sliding doors should be made of tempered glass.
 - Replace old garage doors and tracks.
 - Seal outside all openings.
6. Take steps to protect your business.
